BERLIN, *February* 14.

WE hear that the different Parties who assume the Distinction of Confederates of Poland, dare not approach the Confines of the King's Dominions, either on the Side of the Marche or that of Silesia.

COPENHAGEN, *Feb.* 16. The Affairs of the North begin to take a serious Turn. The Empress of Russia requires her Allies to furnish her the stipulated Succours either in Men or Money. As our Kingdom is among the Number of her Imperial Majesty's Allies, we are bound to send her 6000 Men, or 60,000 Crowns every Year, during the War. As so large a Sum might disorder our Finances, the Court has resolved to pay her Contingent in Men. His Majesty has therefore ordered Six new Regiments to be raised in Norway, Five of Infantry, and one of Dragoons. The Army in Denmark has also been augmented with 16 Battalions.

Eight Ships of War, and Two Frigates, are ready to sail, and it is thought, that Squadron is also destined for Russia.

LONDON, *February* 11.

A Letter from Jamaica says, "By the Accounts received here from the Havanna, the late Hurricane there destroyed, on a moderate Calculation, 96 public Edifices; among which are reckoned the great Cathedral, the Custom-House, the great Tobacco Magazine, St. Jaques's Fort, the principal Jail, and the Convent of St. Augustine, besides 4048 Houses. What is very remarkable, not above 110 Persons were buried in the Ruins, though a great Number of Lives have been lost in the Plantations. Sixty-Nine Ships were run on Shore, most of which were entirely beat to Pieces. The Hurricane began on the 15th of October last, at the South End of the Island of Cuba, and died away in the North. The Distress of the poor Inhabitants was inexpressible, and the Behaviour of the Archbishop of St. Domingo, and the Bishop of Cuba, highly commendable. These benevolent Men went in the midst of the Storm, encouraging the People, and invoking the Mercy of the Almighty. The rest of the Religious also exerted themselves upon this Occasion in an uncommon Manner. The Convents were open to every one, and the unhappy Sufferers were entertained in them with the greatest Hospitality, 'til their Houses were made habitable."

Several English young Noblemen, and Gentlemen, are preparing, we hear, to embark for Germany, in their Way to Russia, in order to join the Russian Army, as Volunteers, and make a Campaign against the Turks.

Feb. 16. Letters from Leghorn mention, that Three of Paoli's Privateers had fallen into the Hands of the French, in Consequence of the Victory over the Corsicans.

The Writer of a Letter, published this Morning, addressed to the Livery of London, observes, That the Nation is indebted 140 Millions; and that to pay the Intereſt of this Sum, all the Necessaries of Life are most grievously burthened with Taxes; he therefore advises the Livery to instruct their Members again, and to add this new Article to those in their former Instructions, viz.

"Insist, says he, on their enquiring by what Right the East-India Company presume to withhold the Asiatic Territories from his Majesty, whose Beneficence is ready to apply them to the Ease of his Subjects, and the reinstating the Power of his Kingdoms, if they are found to be unjustly retained, which I am confident is the Truth; there will then result to Government, the clear annual Revenue of at least Three Millions; and these applied to the raising Money by Annuities, or in what other Method the Legislature shall think fit, will necessarily alleviate a Multitude of the present Taxes in a very short Time, and the whole of them in no long Duration. The Duties on Beer, Coals, Candles, Soap, Salt, Leather, and a Variety of others, which are most oppressive on the Poor, may be speedily removed, the Trade and Manufactures of the Kingdom will be revived, and the Nation empowered to look every Enemy in the Face, with the Consciousness of sufficient Strength to support a War, and to carry their native Bravery into Execution."

March 8. Authentic Advices from France say, that several Thousand Soldiers have been embarked lately from Bourdeaux, and other Ports of that Kingdom, for the French Settlements in the West-Indies, Africa, &c. and that there are more Ships of War at present on the Stocks in France, than at any Time since the Peace of 1763.

March 14. A Correspondent from Stafford informs us, that some Years ago, while the Rector of a Parish in that County was gathering his Tithes at a Farm House, the Farmer having Eleven Children, told him, he ought to take the Eleventh Child, which the Clergyman immediately consented to, and brought it up at his own Expence; and when the Clergyman died, he was inducted into the Living, which he at this Time enjoys, worth, together with the Free-School, 120l. per Ann.

March 20. We hear that before the 13th of April next, the Day fixed on for another Election for a great County, a Petition will be presented to a great Personage, by a very considerable Number of the Freeholders in Behalf of a popular Gentleman; and also relative to some Matters concerning themselves, which are to be urged in the most dutiful Manner possible.

March 21. Parties run so high in Sweden, that they are sending Expresses to the different Courts of Europe to recal all the Members of their different Assemblies, against the approaching Dyet: Last Week one of their Members was sent for from Bath on that Occasion, and was allowed but a very few Hours before he set out for Stockholm.

March 24. On Wednesday Night the Fifteen Persons who had been taken up for behaving in a riotous Manner at St. James's, were examined before the Board of Green-Cloth; when Ten of them were discharged, and Five committed to Tothill-Fields Bridewell.

Extract of a Letter from Vienna.

"By the Assiduity of Lord St——, the English Ambassador here, your British Politics may take a more favourable Turn than could ever have been expected. Notwithstanding the Dauphin of France is contracted to one of the Archdutchesses, yet are we joined with Prussia to recover Lorraine and Alsace against that very incroaching and ambitious Enemy. Should this Country be ever again united to Austria, France would soon become a very pitiful Power, compared to what she now is. An Attack on Alsace will be a most favourable Diversion on the Part of Great-Britain, whether by Accident or Design. The French, believe me, will find Business enough on their Hands to defend this Country of theirs, even though filled with such Fortresses as seem impregnable.

To the Gentlemen, Clergy, and Freeholders of the County of MIDDLESEX.

GENTLEMEN,

IF I had not experienced your unwearied Zeal for Liberty, and the Defence of the fundamental Rights of the Subject, I should feel some Uneasiness in being now obliged, by a Third Expulsion, to beg the Favour of you to attend so soon again at Brentford, to support your former Choice. But I know you have the Cause of your Country at Heart, and that you glory in every Opportunity of convincing the World, that you will never give up your Title to a free Election. If you tamely suffer this most valuable Right of chusing your own Representative in Parliament to be taken from you, or rendered of no Effect, you must not expect that the Enjoyment of any meaner, or more inconsiderable Franchise, will be long permitted. The Spirit of every Englishman revolts at the very Idea, and the Freeholders of Middlesex have always firmly stood foremost in the Day of Trial, however severe and perilous.

The next County Court is fixed for Thursday, the 13th of April, when the Election will come on at Brentford. The Appearance of my Friends at an early Hour of that Day, I shall esteem as a very particular Obligation.

I am, GENTLEMEN,
With Deference and Respect,
Your faithful, and obliged
Humble Servant,

KING's-BENCH *Prison*, *Saturday, March* 18, 1769. JOHN WILKES.

From the LONDON GAZETTE.

ST. JAMES's, *March* 6.

The following ADDRESS *of the Lord-Lieutenant and Nobility, High-Sheriff, Grand-Jury, Gentlemen, and Clergy of the County of Essex, was this Day presented to his Majesty, by Daniel Matthew, Esq; High-Sheriff of the said County, being introduced by the Lord of his Majesty's Bed-Chamber in Waiting; which Address was most graciously received.*

To the KING's most excellent MAJESTY,

The humble ADDRESS of the Lord-Lieutenant, and Nobility, High-Sheriff, Grand-Jury, Gentlemen, and Clergy, assembled at the Assizes held at Chelmsford, in, and for the County of Essex, on Thursday the Second Day of March, One Thousand Seven Hundred and Sixty-nine.

Most gracious SOVEREIGN,

WHILST we feel the happy Effects, and retain in our Breasts a most grateful Sense of the Mildness and Benignity of your Majesty's Government, we cannot see, without the utmost Abhorrence, the Spirit of Sedition and Licentiousness, which has lately manifested itself in various Shapes, with Design to lessen the Respect and Affection due to your Majesty, to traduce and misrepresent your Parliament, and to draw into Contempt the Authority of the Courts of Justice, which in no Time were more happily, or more eminently supplied.

Every Part of the Conduct of these Disturbers of the public Repose, appears to us as weak and unreasonable, as it is wicked; yet we think such Proceedings, if not timely checked, may operate to subvert the Constitution, and destroy that Liberty, which has been made the specious but false Pretence for committing Outrages of the most dangerous and alarming Kind.—Already the Metropolis hath been frightened from its Security; your Majesty's Repose in the Seat of your Government hath been most insolently invaded, and the lawful Administration of Justice violently obstructed. It therefore becomes our Duty, as Friends to the Constitution, and faithful Subjects to your Majesty, to lay these our Sentiments at the Foot of your Throne, relying, with the firmest Confidence, on your Majesty's Wisdom and Justice, for the Exertion of such prudent and vigorous Measures as may restore Peace and good Order amongst us. And we do assure your Majesty, that being fully persuaded, that the Preservation of the public Tranquility, and our own Safety, are inseperable from the Security of your Majesty's Government, we are determined, at the Risk of our Lives and Properties, to support your royal Authority in suppressing and subduing all seditious and riotous Attempts, which threaten Destruction to the State, and disturb the Happiness and Honour of your Reign."

KINGSTON, (JAMAICA) *April* 6.

By a Vessel which arrived on Monday last from Hispaniola, we have an Account of some very extraordinary Disturbances in that Island. It seems, the Number of regular Troops not being very considerable, the Count d'Estaing, who was lately in the Government, had subjected the Inhabitants to Military Duty, and established such strict Discipline, as rendered it entirely burthensome. Whether the Count acted herein by Orders from his Court, does not appear; but, it is said, that upon an Offer from the Inhabitants of the Sum of Seven Millions of Livres, he undertook to procure from France a sufficient Number of regular Forces, to relieve them from such kind of Service in future; and this Sum was accordingly paid, but whether any Troops arrived in Consequence thereof, we are not informed. It appears, however, that the Inhabitants were relieved for a Time, from the Severity of Military Discipline, 'til the Prince de Mombaisson, the present Governor, lately thought proper to summon the Inhabitants to perform Duty as formerly, which they absolutely refused to do, and upon the Prince's endeavouring to compel them by Force, took to Arms in their Defence, and defeated the regular Troops in Two different Engagements, so that when the above Vessel sailed, every Thing was in the utmost Confusion and Disorder.—This is the best Account we have been able to procure of the Matter, but as soon as a more full and perfect Relation shall arrive, we shall lose no Time in laying it before our Readers.

BOSTON, *May* 4.

It has been reported, that Lieutenant General Sir Jeffery Amherst, Colonel of the 3d Regiment of Foot, would be appointed Commander in Chief of his Majesty's Forces in America, and Governor of this Province; it has also been reported, that Lieutenant General Studholme Hodgson, Colonel of the 4th Regiment, will be appointed to the said Command, and to the Government; while others report, that his Excellency Thomas Pownall, Esq; formerly Governor of this Province, will again be appointed to this Government; but we do not learn whether there is any Foundation for any of these Reports.

May 8. Last Friday the Freeholders, and other Inhabitants of this Town, legally warned, met at Faneuil-Hall, and there made Choice of the following Gentlemen to represent them in the General Assembly at the approaching Session.—The Number of Voters being 508.

The Hon. JAMES OTIS, Esq; - -	502
The Hon. THOMAS CUSHING, Esq; -	502
Mr. SAMUEL ADAMS, - - - - -	503
JOHN HANCOCK, Esq; - - - - -	505

Previous to the above Choice, the following Vote was passed, *Nemine Contradicente, viz.*

Voted, That the Town, before they proceed upon the Business of this Day, do make, or order to be entered upon their Records, the following Declaration of their Rights and Freedom of their Elections, *viz.*

The Select-Men having acquainted the Town, that they had waited on General MACKAY, Commander of his Majesty's Forces quartered here, to inform him, that the Choice of Persons to represent this Town in the General Assembly was coming on, and to claim in Behalf of the Town the full Right of British Freeholders and Subjects upon so important an Occasion, founded on the Principles of the British Constitution.—The Select-Men having also acquainted the Town, that the General had declared, that it was not in his Power to march the Troops out of the Town upon this Occasion, or any further to comply with their Claim, than by confining the Troops to their Barracks, which he engaged to do.

The Town, tho' they receive this Answer as a Concession of the Rectitude of the Claim, yet as the Measure of confining the Troops to their *Barracks*, and not removing them out of Town, is by no Means adequate to the Extent of their constitutional Right, they cannot proceed to an Election, without declaring their clear and full Sense, that the Residence of armed Forces in the Town, during an Election of so great Importance, is a high Infringement of their constitutional Rights; *protesting*, that their proceeding to an Election under such a Circumstance, is wholly from Necessity, and not to be considered as a Precedent at any Time hereafter, or construed as a voluntary receding from the incontestible Rights of British Subjects and Freeholders, on so interesting an Occasion.

May 11. We hear that Capt. Shand's Vessel, that arrived at Providence last Week from London, is fully loaded with Goods; but we are informed, from good Authority, that there is not a single Package on board her for any Merchant in this Town.

His Majesty's Ships Romney and Hussar sailed last Sunday, for Halifax. The Commodore's Broad Pendant is now hoisted on board the Rippon, which is the only King's Ship now in this Harbour.

We hear that the Detachment of the 59th Regiment, commanded by Captain Wilson, are to embark for Halifax this Week.

Extract of a Letter from London, March 23, 1769.

"All the American Petitions were rejected by the House of Commons this Day, and not allowed to be read, which Causes great Confusion among the Merchants here."

NEW-YORK, *May* 15.

By Order of the Committee of Merchants in New-York.

WHEREAS in August last an Agreement was made not to import any Goods from Great-Britain (a few Articles excepted) that should be shipt after the First of November, until an Act of Parliament laying Duties on Paper, Glass, &c. for raising a Revenue here should be repealed, and that, if any Goods should come on Consignment, or other Ways, contrary to the Agreement, they should be put into a public Store, there to lie until Goods were generally imported; and further, that if any selfish Person among us, or Strangers, should come and import Goods, and not comply with the Agreements, such Person and Persons should be deemed Enemies to this Country. And as several Vessels have lately arrived and brought some small Parcels of Goods, most of which on Examination, appear to have been sent contrary to Orders, and those to whom they are consigned, have generally ordered them into a public Store; but there is One or Two Persons, whose Names it may be needful hereafter to mention, if they persist, who as yet refuse to order their Goods into the said Store. And it is now hoped that all Persons whatever, the LADIES in particular, whose Conduct may have great Influence, will rouse and show their public Spirit and Virtue, in maintaining the Agreement entered into for the Public Good by not having any Connection with any such selfish People; and that they will not buy from them, or any others who may purchase from him or them, any Goods that they have now imported, or have on Hand, but deem them obnoxious, and hold them in the Contempt they deserve, let their Station in Life be what it will.

THOMAS HYDE.

Virginia, May 1, 1769.

WHEREAS my Trustees, the Honourable *Peyton Thornton*, Esq; and Mr. *William Fitzhugh*, of *Somerset*, have been cast at the Assize-Court, held for *Anne-Arundel* County, in the Province of *Maryland*, last Month, on Account of an Attachment brought against me, which was levied on some Slaves, at that Time in their Possession, on a Suggestion, that the Trust-Deed was a fraudulent one, the Lawyers having persuaded the Judges and Jury into such an Opinion, because the Clerk of our General Court had annexed to sundry other Deeds, with the Seal of the Colony, the Deed made to sundry Creditors, near Three Years after the Deed of Trust was executed and recorded, through Mistake, instead of the Deed of Trust, which was afterwards sent up, to avoid any ill Impression that such a Verdict might make on Gentlemen, to the Prejudice of innocent Persons. I do hereby give this public Notice to those who are prepossessed with such a Notion, that they will find, by that Deed, made to the Creditors, that the Deed of Trust is taken Notice of in it, and I shall send up to the said Office, a Copy of the Deed made by the Trustees to the same Gentlemen, of all their Right and Title to the Estate made over to them, after the Deed of Trust was executed by them. I beg Leave to refer to the Public Papers, prior to the last Deed, the Reason for making such a Deed, which was because some of the Creditors were privately taking unjust Methods to get their Debts paid, to the Prejudice of the rest, the Reasons being adjudged good; such as met, and agreed to the Terms, gave me a Discharge, and agreed the Deed should lay open for Six Months, that all the Creditors that would, might come in and partake of the same, which was advertised in the *Virginia* Gazette for some Time. Having dealt fairly and justly with all my Creditors, I cannot be silent when I hear my Friends, the Trustees, suspected (as well as myself) of a Fraud, in undertaking to serve all Parties out of meer Friendship, without any Fee or Reward. I must now beg Leave to declare, that every Thing I have is conveyed away to certain Creditors, after the Trustees and Mortgages are satisfied, which may appear in the Office, in *Anne-Arundel* County; therefore hope no Person will run themselves into any Scrape for the future. I hope, Gentlemen who are prepossessed will make it their Business to inform themselves fully of this Matter, and not take the Liberty to make free with Characters which do not deserve such Usage.

I am the Publicks
most obedient humble Servant,
BENJAMIN GRYMES.

THESE are to certify whom it may concern, That Col. *John Champe*, of *Virginia*, deceased, had a Mortgage of many Negroes, belonging to Mr. *Benjamin Grymes*, of said Colony, Two of which, with others, were carried to *Maryland*, and while there, were attached by some of his Creditors, and designedly neglected (as appears) in his Defence, of others mortgaged, so that these were left at Risk, for Want of Plea; but as the Subscriber can make his Right fully appear by a Decree of the General Court of this Colony, he forwarns all Persons from selling, or purchasing the said Two Negro Men, *George* and *Bristol*.

THE Honourable the Commissioners of his Majesty's Customs, observing that Ships and Vessels frequently incur Forfeitures, and their Owners become subject to heavy Penalties, thro' the Misconduct or Negligence of the Masters and Seamen; and particularly by the Masters not making true Reports of their Cargoes, which they sometimes pretend they are not able to do, from the Manner that they take in their Loading at Foreign Ports: And at other Times they pretend that the Seamen take on board private Ventures, and secrete the same from their Knowledge, so as to be landed clandestinely upon their Arrival without Payment of Duty.

And several Ships and Vessels seized for the Commission of Offences of this kind having been released in Consequence of such Representations from the Owners: The Commissioners think it necessary to advertise, for the Information of all Persons whom it may concern, That upon the Detection and Discovery of any such Offences in future, the same will be prosecuted as the Law directs; so that it behoves the Owners to suppress the Custom of suffering the Seamen to take in private Ventures; and also to admonish the Masters to be punctual in taking an Account of their Cargoes, and to pay a strict Regard to their Oaths in reporting the same, as well at the Ports of their first Arrival, as the Ports of Entry in *North-America*. *By Order of the Commissioners,*
